MEXICAN FOOD

CAPABILITIES STATEMENT

OVERVIEW

¡Arriba! As the second most popular food style in the US, Mexican food is HOT. Since 2005, Tres Picosos has produced authentic Mexican burritos from its Denver, Colorado headquarters. Uncompromising on quality ingredients, we bring affordable gourmet burritos to customers on the go nationwide. Our 9 flavors are available in branded paper butcher wrap, as well as PL foil and clear film packaging. Our amigo, Naughty Chile Taqueria, provides all the bulk components for MTO Mexican foodservice. Scalable to any size platform and operations, we also support retailers with POS and marketing. So we've got you covered under one grande sombrero. ¡Mucho delicioso!
